Dear Prospective NEET Rider:

Thank you for your interest in our no-cost transportation to and from your medical appointments. Please note that our ride services are non-lift, curb-to-curb services. You must be able to self-transport to and from your home and your doctor's office (or other essential appointments). At this time, we cannot transport wheelchairs and request that you contact your local Council on Aging (COA) or the Merrimack Regional Transportation Authority, MVRTA, or "MeVa", for more information (978)469-6878 #3.

IMPORTANT: NEET uses volunteers to drive; therefore, we cannot guarantee driver availability for your ride. Our volunteer drivers will call you twice: once when your ride is assigned to introduce themselves, and once the night before to confirm your ride. It is important that you answer these calls or return them if they leave a message. **If the driver does not speak with you, they may not arrive to pick you up at your scheduled pickup time.** If you do not hear from a driver, it may be that we did not have a volunteer to drive. Please contact your local COA (listed on the reverse of this form) to confirm whether you have a driver for your ride. If you cannot keep your appointment or your appointment has changed, please contact your driver to cancel and the local COA to reschedule. See the enclosed form for COA/Senior Center phone numbers and contacts.

Please read, review, and sign the enclosed documents. Please understand that **we cannot schedule rides without receiving the following two signed documents:**

1. The **Rider Registration Form**, including the **Acknowledgement (at the bottom)**
2. The **Ride Waiver**. – Read, sign, and date the second page.
3. **Return both documents** to your local COA for entering or in the enclosed envelope.

Sincerely,

NEET staff

Please call your local Council on Aging to request assistance with transportation through this program and to schedule your ride.

RIDER GUIDELINES – Fall/Winter 2025-2026

Our mission is to provide no-cost transportation to older adults, and we are grateful for the combined support with the local COAs/Senior Centers that have made this possible.

These Rider Guidelines, along with guidelines provided to our Volunteer Drivers, are necessary to ensure the safety of everyone involved in the program. We know the extra effort required to follow the guidelines and appreciate your understanding and continued support.

PLEASE NOTE: ALL RIDES MUST BE SCHEDULED THROUGH THE COA.

Please refrain from calling our driver/volunteers directly for scheduling.

BEFORE WE CAN SCHEDULE ANY RIDES

Please fill out and return the documents to your local COA/Senior Center:

1. **Rider Registration Form**—This includes the signed Acknowledgment of these guidelines (at the bottom of the form). Please fill this information out clearly, as we want to ensure the accuracy of the information.
2. **Rider Waiver Form** - Please read and sign page 2 (back).

SCHEDULING A RIDE- Part 1

- **Call your COA, to schedule your ride.** Most COAs require 4-7-day notice, not including weekends or holidays. Please have the following information available:
 1. **Location:** where to pick you up for the ride (your residence or other location or special notes) – make sure that this is accurate on your registration form. Special notes, if any, on your address location is important!
 2. ****Appointment time and expected duration – *Please make every effort to discuss appointment end time with your medical professional's office staff.** * This will assist your volunteer in knowing when to return, without a longer wait time.
 3. **Appointment destination** including location, name of practice or service, phone number, and any special instructions about parking and where to meet you after your appointment. **Tolls and parking are your responsibility.**

SCHEDULING A RIDE – Part 2

Special Situations:

If you require an escort to your appointment, you must provide the escort and your escort will be required to complete a Rider Registration form, which includes signed Acknowledgement of these guidelines and a signed Ride Waiver prior to scheduling your ride.

CALL FROM DRIVER WHEN THEY HAVE BEEN ASSIGNED TO YOUR RIDE

- You will receive a confirmation call as soon as the driver has been assigned to your ride. You will receive a second call the night before your appointment to reconfirm. ** **IMPORTANT: Please be available to answer these calls** as the volunteer driver may not pick you up if you do not speak beforehand! If the NEET driver leaves a message, please return their call. They will identify themselves in the message as a NEET driver.
- Discuss the appropriate pick up location after your appointment.
- If you have not heard from your volunteer driver a few days in advance of your ride, please contact the COA. ***We do not have enough volunteers to meet all of the driving needs, and therefore, NEET cannot guarantee rides.***

THE DAY BEFORE EACH RIDE

- Your volunteer driver will call you a second time to reconfirm your ride the day before to make sure there were no changes or cancellations to your ride.
- If you are not feeling well and need to cancel your ride, please contact both your volunteer driver and the COA/Senior Center. Reschedule with the COA.

DAY OF RIDE

- If the weather is not safe, the driver will be in touch with you to cancel. It is their prerogative to cancel due to inclement weather. We want to keep you and our volunteers safe!
- You must wear a seatbelt.

RIDER GUIDELINES – Fall/Winter 2025-2026

THE APPOINTMENT

Prior to leaving your vehicle, please confirm your pick- up location with the volunteer driver and, if possible, leave the driver with a contact phone number. If you find out upon check-in that your appointment will be longer than expected, please contact the driver right away. Your driver may give you a card with their number upon exiting the vehicle.

DONATIONS

NEET never charges for our services. Free-will donations are appreciated and are tax-deductible. If you are able, and only if you are able, you may donate at any time. Upon receipt of your Rider Registration Form, NEET will mail you a welcome package with donation envelopes. Please do not feel obligated to donate. If a volunteer driver is available, you will receive a ride whether or not you donate.

Please note: Do not contact your volunteer driver directly for any additional rides.

All additional rides or changed rides must be scheduled only through the COA/Senior Center.

Please help us make the program equitable for all involved. Thank you!

Thank you very much for your support of these guidelines, ensuring a smooth ride and experience for all involved!
